CELEBRATING 10 YEARS OF
INFORMATION ACCESS AND PRIVACY LEGISLATION
IN QUEENSLAND

How did accessing government information help you:

Ten year anniversary

2019 is the 10th anniversary of the *Right to Information Act* and *Information Privacy Act*. This milestone presents an opportunity to showcase Queensland's continuing journey towards a more open, transparent and accountable government that protects and respects personal information.

The journey

A fundamental shift in how government handles, uses and discloses information began in 2009. Queensland moved to a push model where information is released proactively, unless there is a good reason not to, while protecting and respecting personal information.
